LETTER TO PTO

ASSISTANT COMMISSIONER FOR PATENTS  
WASHINGTON, D.C. 20231

Sir:

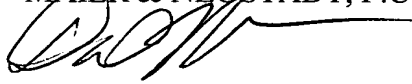

Responsive to the Office Communication dated April 30, 2001, Applicants submit that a Statement that the content of the Sequence Listing recorded in the computer-readable Sequence Listing is identical to the paper Sequence Listing was submitted in the Preliminary Amendment filed on February 16, 2001. As evidence of this statement Applicants submit herewith a copy of said Preliminary Amendment. Particularly, Applicants point to the statement on page 5 which states "A Sequence Listing is attached. In lieu of a submission of a computer-readable Sequence Listing (CFR) in the present application, Applicants submit that the Office use the CFR submitted in the parent application, U.S. Patent Application Serial No. 08/613,098, submitted on April 15, 1997. Applicants confirm that the sequence information submitted in the Sequence Listing submitted herewith is the same as in the CFR submitted in the parent application. No new matter has been added to this application by the submission of the Sequence Listing."

---

Applicants submit that the present application is ready for examination on the merits  
and early notice to this effect is earnestly solicited.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,  
MAYER & NEUSTADT, P.C.
